

 Dear Matt,
Thank you for
another job beautifully
done.

Henry and John went
above and beyond on
my old house. I think
Henry realizes I love this
old place, it is my
home.

John did a great job
on the cement work.
Could it be better.

Henry's work is ex-
cellent. I love his music
taste.

Again thanks to

everyone involved.

If I owe you any-
thing just call.

Yours truly,
Suzanne Muz

P.S. See you for phase III
