

Hi Matt!

The bathroom came out amazing!!! John and I thank you so much for giving us hard workers. The guys showed up every day, worked their butts off and cleaned up perfectly at the end of the day. John also checked in daily and made sure everything was on schedule and going according to plan. We couldn't be more satisfied with the crew!!

The outside still needs to be complete and if they can still wallpaper that small wall outside the bathroom? Please let me know when then will be able to finish that.

Also, please send us remaining balance with the paint, wallpaper, etc added.

Thanks again for everything!

Angela & John
